

Login Page

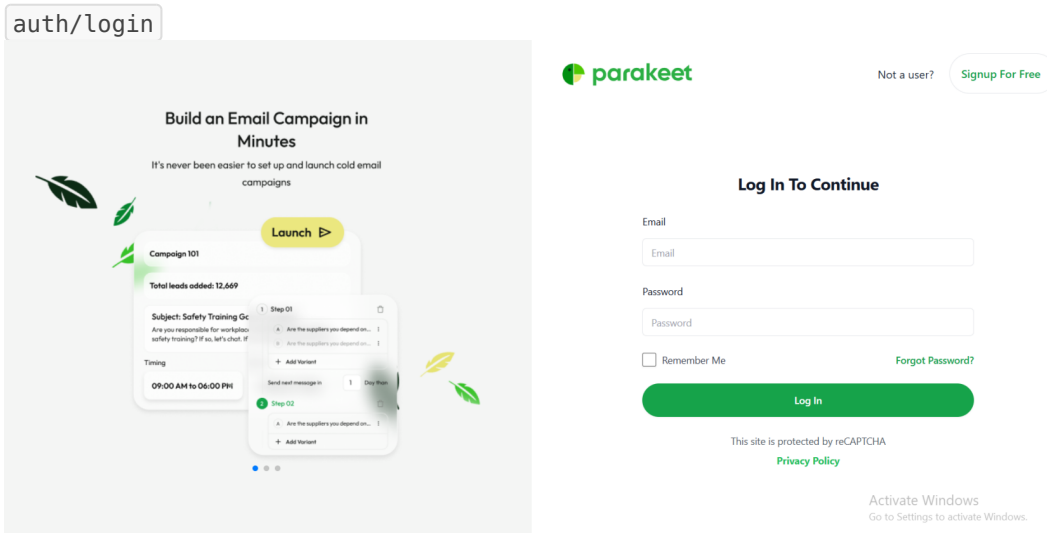

1. Login Flow

Purpose

This flow allows existing users to securely access their Parakeet dashboard and campaign tools by logging into their accounts.

Flow Steps

1. The user navigates to the login page:

2. The user is prompted to enter the following credentials:

- Email address

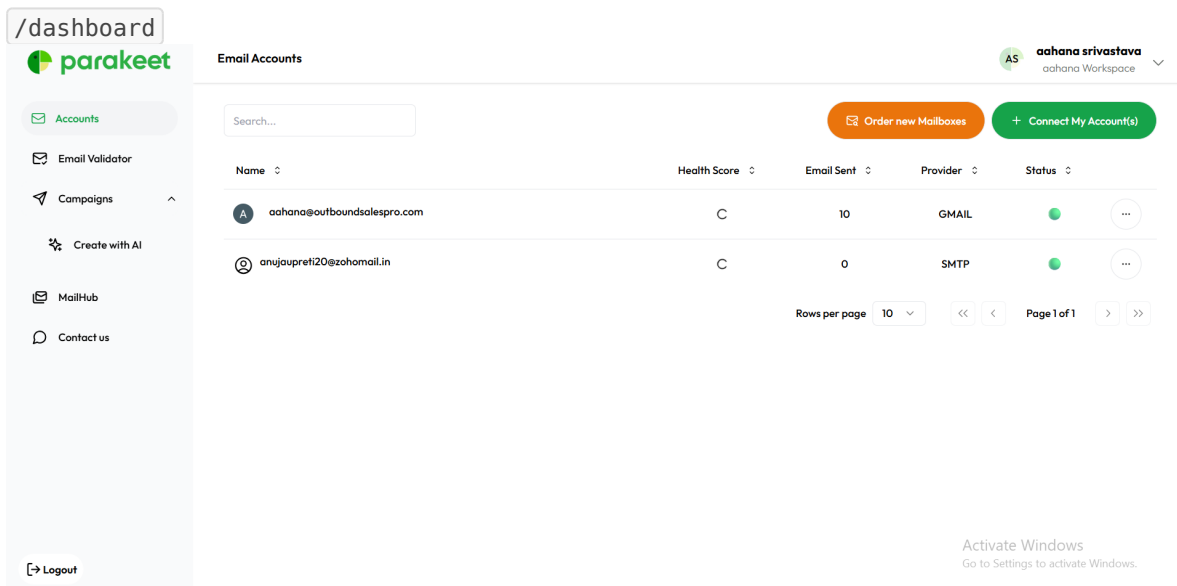

user@example.com

- Password

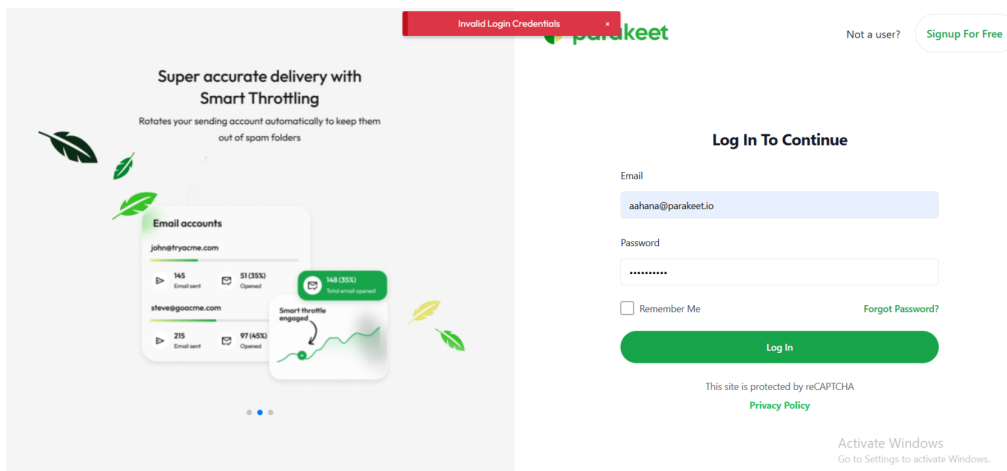

- After entering valid credentials, the user clicks the **Login** button.

3. The system verifies the credentials:

- If valid, the user is redirected to:

- If invalid, an error notification is displayed:
"Invalid credentials. Please try again."

4. Depending on the context or prior user action, the user may be redirected to:
- The Dashboard (if the user has an active account)
